April 14, 2021

Dear South Eastern Middle School Parents and Guardians:

Due to a recent increase in positive coronavirus (COVID-19) cases, it has become necessary to close South Eastern Middle School (SEMS) for in-person learning, beginning April 15, 2021 through April 16, 2021.

Please be aware that this closure follows the PDE/DOH attestation guidelines for closing a building when the county transmission rate falls in the substantial level of community spread. Adherence of these guidelines are required during substantial community spread.

We regret the hardships this will cause for some of our families. At this time, we believe that is the right step to take to follow the guidelines and protect the health and safety of our families, employees, and the community at large.

During this temporary physical closure:

- **All other buildings within the District will remain open, except Fawn Area Elementary**
- SEMS teachers and staff will work remotely
- Student learning will be synchronous. For more information on the specifics for synchronous learning days, please click [here](#)
- Building and Grounds team will conduct a thorough cleaning and sanitization of SEMS
- SEMS students will return to in-person instruction on Monday, April 19, 2021

We ask that you continue to conduct daily symptom screenings at home and if you, your child(ren), or anyone else in your household are showing any symptoms of COVID-19 or have been tested for the virus, please contact your child's building school nurse immediately. We apologize for any inconvenience and appreciate your cooperation and support.

Sincerely,

Nathan P. Van Deusen, Ed.D.
Superintendent
